Thanks Glenn,

I'm going to copy/paste an email below that was sent to the Michigan Medicine faculty, and I'll attach an overview document that we received from the Medical School.

Best,

Luke

Subject: Call for Nominations Open Until 2/28/25 – Medical School Faculty Committees Election

This communication is circulating to all Medical School Executive Faculty

Dear Colleagues,

The Medical School Office of Faculty Affairs administers the annual election process for the Medical School faculty committees, the University of Michigan Faculty Senate, the Executive Committee on Clinical Affairs, and the Graduate Medical Education Committee. These committees, composed of members who are nominated and elected by peers, have a profound impact on the operation of the Medical School and Michigan Medicine. Service on these committees is a great way for faculty to engage in the medical school community and develop leadership knowledge and skills. Please consider nominating yourself or a peer to help us advance our mission. Committee members are elected through a two-step electronic-ballot process, a nomination phase and an election phase.

The **NOMINATION PHASE** begins at 9:00 AM on Friday, February 14, 2025, and will end at 7:00 PM on Friday, February 28, 2025.

- To nominate yourself or a colleague go to: **vote.umich.edu**
- Log-in using your **uniqname** and **UM password**
- Please note that you may not be eligible to nominate or be nominated for each category/committee (openings below). When you log-in, you will only be able to view the ballots in which you are eligible to nominate.
- Choose an eligible nominee from the list. Select carefully, as clicking on the name will submit the nomination.

Please do not respond directly to this email. All questions should be directed to **UMMSFacultyElections@umich.edu**
